

RAJAGIRI COLLEGE OF SOCIAL SCIENCES (AUTONOMOUS)
DEPARTMENT OF COMMERCE & PROFESSIONAL STUDIES

In Association with IQAC

ORGANIZES

WEBINAR ON

FILTER BUBBLES & ECHO CHAMBERS

Registration Link

<https://forms.gle/PmtyoqtflLugNrtpD8>

ABOUT THE WEBINAR

Search algorithms and social media are undermining the quality of online information with a Tsunami of fake news and propaganda. “Filter bubbles” of like-minded people unwittingly lock us in such virtual echo chambers that reinforce our own biases. This discussion introspects on how to break free of our bubbles and chambers and remain unbiased.

Resource Person:

Prof. Rishikesh K B

Assistant Professor

School of Commerce, Finance and
Accountancy

CHRIST (Deemed to be University),
Bangalore

Organizers
