The effective teaching learning environment is a key point for achieving the excellence by any Higher Education Institutions (HEIs). The Rajagiri College of Social Sciences (Autonomous) aims to strive towards excellence by creating effective teaching and learning environment. The faculties are inclusive in their teaching methods as they take a note on the abilities of the learners in terms of their individual learning capacities and diversified socio-economic background. They adopt different strategies for motivating the slow learners and advanced learners. To enhance the learning experience, student's centric methods such as industrial visits, inter collegiate competition, institutional visits, group discussions, debates and quiz, elocution and problem-solving methods and live labs have been adopted by the college. Industrial visits and field trips are the core of the many professional courses. The pass percentage of the student is quite encouraging and in almost every subject the students are on the merit list. The faculty of the college extensively used Google Class Room and MOODLE platform to deliver the course content in an effective way. The system of Continuous Internal Evaluation (CIE) and the end Semester Examination for monitoring and Evaluating class room learning is also built into the teaching and learning process of the college. The Academic ERP FEDENA automated system is setup to ensure the transparency of the admission, examination, the attendance and evaluation grievance.

In alll the programs offered in the college there is a clearly stated its Program Outcomes (POs) Program Specific Outcome (PSOs) and Course Outcomes (COs) as part of OBE. The college is claiming to produce learners who are achieving professional competence and at the same time able to perceive and access human values to meet a contemporary global challenge. The college governance is intune with vision and mission of the college. The organisational structure of the college consists of Manager and Provincial, Director, Management Representatives, Associate Director, Principal, Vice Principal, IQAC and Academicians. A decentralised approach is practised by the Managing Board where Faculty members and students are involved in most of the academic and extracurricular activities. The college has provided autonomy for implementation and deployment of the policies by decentralising governance and organisational operation at various stages to ensure participatory management. The Management has provided all possible good infrastructure facilities and authorised the Principal to take all the academic decisions. Various committees such IQAC, Steering Committee, Research

Cell, Staff Councils, Academic Review Committees have been constituted to look into the routine academic and financial administrative issues. Well-structured performance appraisal system is in place for faculty members, students' feedback, self-appraisal, work diary and academic audit are considered for appraisal for the teaching faculty. The IQAC undertakes initiatives to review the teaching learning process and learning outcome by promoting student centric methods like field visits, case studies, project based learning and interactive sessions. The IQAC is instrumental in promoting the digitalised learning process and its timely response to MHRD quality initiatives is noteworthy. The college conducts internal and external financial audit regularly. Gender Audit and Green Audit are another commendable steps taken by the institution to check the gender equality and green initiatives. The grant received from UGC, RUSA is being audited regularly by external Government Auditors.

The safety and security of the girl's students have been kept at the priority by the RCSS. The security system is ensured through 38 CCTV Surveillance, security guards and other internal committees such as Women Cell, Anti-Ragging Cell, Grievance Redressal Cell, and Anti-Harassment Cell. Each and every student including parents and teaching and non-teaching staff have been insured under Group Insurance Scheme (GIS). Its waste management system is well in place with proper segregation of the bio-degradable and non-biodegradable waste. Liquid Waste Management system is also in practice by the centralised system of liquid waste used for garden and washrooms. The college has also given due importance for e-waste management by handing it over to certified vendor for use and recycling. Water recharging units and wells have been constructed for rain water harvesting. As a result, water level has increased for utilisation in the entire campuses are powered by solar energy and also supply solar power to the State grid during lean consumption period. The college has taken up 'Swatch Bharat Abiyan (SBA)' in order to inculcate human values and a sense of pride in the minds of youths, the college conducts the celebration of birth and death anniversaries of great national leaders and national festivals. Transparency in Finance, academic and administration is maintained through decentralised practices.

The best practices followed by the college is to extend helping hand to marginalised community as its social commitment and accountability. The college institutionalised these efforts under various programmes. The institutional distinctiveness is visible in providing affordable and quality education to the rural and

marginalised students of the region. However, the college needs to put in great efforts to truly achieve a tag of running up paperless office.
