

## Action taken report on Stakeholder Feedback 2022-23

### Department of Psychology

#### Summary of Stakeholder Feedback and Action Taken

Program	Stakeholder	Summary of the feedback received	Action Recommended	Action Taken
BSc	Student	Students reported that they picked up good skills in the subjects and Research. They suggested more experiential approach to the subjects and requested to make the month of February less hectic	More interactive classes, plan more industrial visits, external speakers. Time table to be modified, so that activities are distributed more evenly in the semester	Classes by subject experts from outside, more visits done, more simulations and case studies used in class. Modifications made to the timetable. Experiential approaches and flipped classroom pedagogies included
	Alumni	Suggested that classroom teaching should be reduced and skill based approaches be increased.	Increased exposure to best practices, increase connect with Alumni	More Alumni interactions arranged, skill based workshops introduced
	Teachers	Workload unevenly distributed, more exposure in Research required	Appropriate recruitment, Shared topics, Workshops on Research	Recruitment completed, workload discussed and redistributed. More workshops on research taken
	Employers	Students knowledge and skills are good. Need exposure to various branches of Psychology	Increase Industry and Alumni connect, and career options. Organise training for UGC NET coaching	More interactions with industry and alumni were done, career guidance workshops organised
MSc	Students	Vastness of some topics, Need for more skill based approaches and training in interventions, training for Competitive exams, supervised practicum	Increase Concurrent clinical training(CCT), Workshops on Clinical skills and Interventions planned	CCT introduced in 2 semesters, Workshops on CBT, Crisis Intervention, training for NET exams, Sessions on Suicide prevention, and Movement therapy conducted. Flipped classroom approaches used

	Alumni	Need for new programs like Counselling Psychology, Organisational Psychology, PhD centre, strong Alumni network	New PG program to be offered, speeden up processes to establish a Research Centre, Alumni networks to be strengthened	MSc Counselling Psychology offered this year, PhD centre also being set up this year. Increased contact with Alumni and their respective career paths
	Teachers	Develop skills in working in and with communities. Value oriented mentoring	Provide opportunity to participate in camps, rural areas, Counselling in Government schools. Modify existing mentoring schedule and practices	Participation in "Koode", in collaboration with Social Work Department. Field work and partical skills to be enhanced in the curriculum. Mentoring approaches and schedules modified
	Employers	Hardworking students. Need to develop assessment and therapeutic skills for employability and professional growth	Provide supervised training in clinical skills, conduct mock sessions and report writing sessions. Plan sessions with industry experts	More emphasis on practical aspects in the lab as well as field work, increased the range of CCT centres for greater variety of exposures/ experts
