

ABOUT THE CONFERENCE

The conference, "Organic vs. Synthetic: The Evolution of Natya in the Context of the Green Economy and the Age of Artificial Intelligence," will explore how traditional Indian performing arts can adapt to contemporary challenges. It will focus on integrating Indian Arts with sustainability practices, the impact of AI, and its role in economic and cultural growth. Held on 10th January 2025 at Rajagiri College of Social Sciences, the event aims to bridge art with modern global issues.
